TESTIMONIAL

I Dr.Subair Khan, Managing Director of **Orthomed Hospital**,
Royapettah, South India's First Speciality Hospital for Arthroscopy and Sports
Medicine.

I had contacted Mr Prakash Kankaria for renewal of my car insurance.

I had many offers from different vendors, but Mr.Prakash explained me all the
benefits of the insurance for my car and he had given me best and competitive
price for me. He had given an extra effort and got a special price for my car
insurance renewal. I appreciate his service and i strongly recommend Mr.Prakash
for all insurance needs
